Re: Relocation and Addition of Services Approval
Certification Control Number: 10-2821

Dear Mr. Weinberg:

Pursuant to the 1135 Waiver issued September 7, 2017 by the Department of Health and Human Services Secretary in response to Hurricane Irma, the Centers for Medicare and Medicaid Services (CMS) approves your request to relocate Home PD Training and Support and provide in-center hemodialysis at the address above. The request is approved effective September 13, 2017. The Florida Agency for Healthcare Administration (AHCA) will conduct an onsite survey at the new location. However, due to Hurricane Irma, this approval waives the requirement that a survey be conducted prior to providing and billing for services at the new location.

If you have any questions, please contact Jackie Whitlock at 404-562-7437 or Jacqueline.whitlock@cms.hhs.gov.

Sincerely,
